HINTS TO RAILWAY TRAVELERS.

Passengers are bound to observe decorum in the cars, and are obliged to comply with all reasonable demands to show their tickets.

No passenger has a right to monopolize more seats than he has paid for.

Any article left in the seat, while the owner is temporarily absent, entitles him to the seat on his return.

Be careful to purchase tickets before entering the cars, thus avoiding much inconvenience.

Baggage, of ALL KINDS, should be checked.

Examine your checks, and be sure they are right, before leaving the Baggage Agent.

Railroad companies are not responsible for the loss of packages carried by passengers into the cars.

Be sure you get on the right car of the right train, before the time of starting, and thus save the annoyance of changing on the route, or the disappointment of reaching other than the desired station.

In addressing the Conductor on the train, do so, if possible, on his return, rather than when he is collecting tickets, as he then has little time to answer questions.

NEW STYLE

Celest Organ,

W. P. HASTINGS',

144 1-2 Exchange Street,

PORTLAND, ME.

HINTS TO RAILWAY TRAVELERS.

In leaving a car, never attempt to get off before the train has come to a full stop; but it is well to make some preparation previously, that there may be no delay after the train has stopped.

If, on arriving at your destination, you do not find your baggage, give a memorandum of your check, and description of the missing articles, to the Baggage Master, or Station Agent; if it fails to reach you by succeeding trains, during the next twenty-four hours, apply to the Master of Passenger Transportation, informing him of all the facts, from which train missing, &c.

If, from any cause, it is needful to make complaint, do so to the chief of the department in which the grievance has occurred; if no satisfaction is there obtained, then make a statement of the facts to the Superintendent; but do not trouble either with fancied wrongs.

TREAT ALL WITH COURTESY, and you will receive it in return.

314 Congress Street,

PORTLAND, ME.

HINTS TO RAILWAY TRAVELERS.

You wiil save money by purchasing your Tickets before entering the cars.

CHECK YOUR BAGGAGE and the Company will then be responsible for it. Baggage in Passenger Cars is a source of anxiety to the owner; causes inconvenience to others; and is unsightly and altogether out of place.

Baggage can be checked THROUGH from places in Canada to the United States and VICE VERSA; but in such cases the law requires each Psssenger to point out his Baggage to the Customs' Officers at the Frontier Station, in order that it may be examined.

Avoid altercations with the Conductors or other Employees of the Company. Conductors have very responsible and arduous duties to perform on the journey, which require the utmost diligence on their part, and they have no time to enter into long discussion.

IT IS DANGEROUS to stand on the platform of cars or move from one car to another, or attempt to get on or off whilst the Train is in motion. Heads and arms are safest when they are INSIDE the car windows.

L. F. PINGREE,

MANUFACTURER OF

Artificial Legs,

NO. 33 TEMPLE STREET,

PORTLAND, ME.

Having made important improvements in LEGS, adapted to all the various forms of amputations, which are secured by Letters Patent, dated July 5th, 1870, is prepared to receive and execute orders for Legs, in which the best Materials and Mechanical skill will be employed. These improvements secure lightness and durability, natural form and action, and a perfect adjustment by the wearer, being simple in construction and noiseless. Weight from two to five pounds.

Prices from $50 to $150. Old Legs repaired on call.

Pattern and Model making and difficult jobbing will receive prompt attention.

The system of Sockets, Joints, Muscles, and Fastenings are upon a new plan on the theory of using all that remains of the amputated Limb. For all cases above the knee thigh, sockets are combined with the lower one by the artificial knee joints, and if the stump is deformed, the socket for the thigh is opened vertically by a lateral Joint. They are commended by all surgeons, and the disabled who have become acquainted with their merits. Warranted to give satisfaction.

Eastern Railroad.

Connects with all Roads and Boats running North & East.

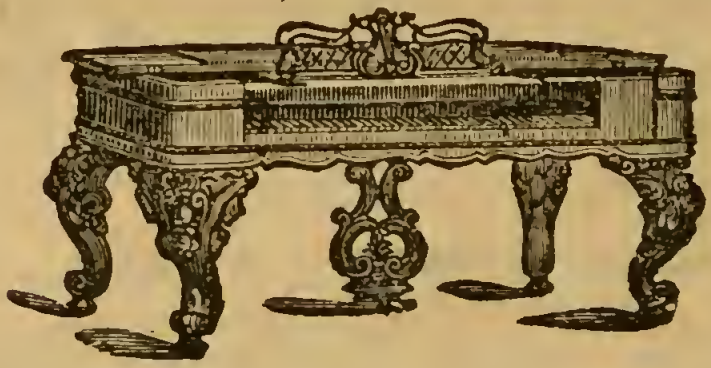
BAILEY & NOYES, Piano Forte Warerooms,

GREAT REDUCTION



IN PRICES!

All who desire to purchase a Chickering Piano will please read the following:

By abolishing all discounts, Messrs. Chickering & Son have abandoned the old style of Piano selling, and adopted in its place the One Price system. Every Instrument, WHEREVER SOLD, bears invariably the fixed price. Messrs. Bailey & Noyes are now authorized to sell an elegant Rosewood Seven Octave Chickering Piano, for

$475!!

The price for the same instrument under the old system of discounts, was $600. The same scale of great reduction in ALL CLASSES OF THEIR INSTRUMENTS.

Psrticular attention is called to the fact that the LARGEST STOCK OF PIANOS kept in the State, will be found at our warerooms. Instruments will be sold on installments, if desired, giving persons of moderate means an opportunity to buy; and prices are so exceedingly low, ranging from $50 upward, that all who choose may enjoy one of these indispensable ministers of social happiness.

BUSINESS LAW.

It is not legally necessary to say on a note "for value received."

A note drawn on Sunday is void.

A note obtained by fraud, or from an intoxicated person, cannot be collected.

If a note be lost or stolen, it does not release the maker; he must pay it.

An endorser of a note is exempt from liability if not served with notice of its dishonor within twenty-four hours of its non-payment.

A note given by a minor is void.

Notes bear interest only when so stated.

Principals are responsible for the acts of their agents.

Each individual in a partnership is responsible for the whole amount of the debts of a firm.

Ignorance of the law excuses no one.

It is a fraud to conceal a fraud.

The law compels no one to do impossibilities.

An agreement without a consideration is void.

Signatures made with a lead pencil are good in law

A Receipt for money paid is not legally conclusive.

The acts of one partner bind all the others.

MAXIMS

FOR EVERYBODY.

Never fail to take a receipt for money paid, and keep copies of your letters.

Do your business promptly and bore not a business man with long visits.

Law is a trade in which the lawyers eat the oysters and leave the clients the shells.

Caution is the father of security.

He who pays before-hand is served behind-hand.

If you would know the value of a dollar try to borrow one.

No man can be successful who neglects his business.

Be silent when a fool talks.

Give a foolish talker rope enough and he will hang himself.

Never speak boastingly of your business.

ADVICE IN CASES OF POISONING.

Stir into a glass of water a heaping teaspoonful each of salt and mustard and drink immediately. One or more doses will cause vomiting, and cleanse the stomach. To overcome the effects, swallow the whites of two or three eggs, and drink a cup or two of strong coffee.

Sweet Oil, taken freely, is excellent in poisoning.
